

Coastfields Holiday Village

Swimming Pool

Our swimming pool is open to all Coastfields guests during your stay, and is FREE to use if you have booked directly through us, or by using an affiliated booking agent such as Hoseasons.

Swim times are booked 24 hours in advance

Contact us on 01754 872592

Or you can book at any reception desk

Our swimming pool is very popular, so pre-booking 24 hours in advance is required.

This helps us manage the pool occupancy, and prepare for your arrival.

On occasion, the swim times are all allocated, so try to book as early as you can, but no sooner than 24 hours in advance.

Should no swim times be available, please try again the next day.

Guidance & Rules
